RESOLUTION NO.

**CALLING UPON THE FEDERAL GOVERNMENT TO RESTORE FUNDING AND
WORK WITH NEW YORK STATE TO ADDRESS LEGITIMATE FRAUD CONCERNS**

By Ms. Haggard, District 10

WHEREAS, St. Lawrence County relies on stable federal funding, often administered in partnership with New York State to support vital services and programs that protect the health, safety, and economic security of County residents, and

WHEREAS, reductions, interruptions, delays, or uncertainty in federal funding can cause immediate harm in rural communities by destabilizing essential services and potentially increasing costs to local governments, providers, and families, and

WHEREAS, as of January 1, 2026, the U.S. Department of Health and Human Services (HHS), through the Administration for Children and Families (ACF), has restricted access to federal funds for three (3) major social support programs, TANF (temporary assistance), CCDF (child care funding), and SSBG (social services block grants) for New York and four (4) other states (California, Colorado, Illinois, and Minnesota) due to alleged concerns about fraud and misuse, and

WHEREAS, St. Lawrence County supports strong accountability for public funds, including appropriate oversight and enforcement measures to address legitimate fraud concerns, and

WHEREAS, addressing fraud concerns must be pursued in a manner that is timely, evidence-based, transparent, and coordinated with New York State so that eligible residents and community providers are not harmed by broad funding disruptions, and

WHEREAS, a press release titled "Federal Funding Freeze Threatens to Punish Innocent Families and Shift New Costs to Local Taxpayers" published by New York State Association of Counties (NYSAC) on January 7, 2026, describes the current funding disruption and calls for the Federal Government to restore funding while working with New York State to address legitimate fraud concerns without interrupting services, and

WHEREAS, the Federal Government and New York State have a shared responsibility to protect taxpayers while maintaining continuity of essential services and avoiding preventable harm to St. Lawrence County and other counties in New York State, and

WHEREAS, St. Lawrence County residents have long enjoyed the benefits of these specific programs, and

WHEREAS, in 2025, there was an average of 216 open TANF cases and 407 Safety Net Cases in St. Lawrence County, and

WHEREAS, in 2025, the number of Child Care Providers receiving funding from the CCAP program ranged from 120 to 151 over the course of the year, resulting in demand on the program exceeding the allocation of \$3.4M per year, with the responsibility to cover the overage falling to the County to cover, and

WHEREAS, in the Fiscal Year 24-25 period, SSBG cost \$5,958,603 but with the allocation of \$1,077,107 fell on the County to cover, and

WHEREAS, a failure of the State of New York and the Federal Government to reach agreement and unfreeze the necessary funds for TANF, CCDF, and SSBG could result in millions shifted to St. Lawrence County taxpayers,

NOW, THEREFORE, BE IT RESOLVED that the Board of Legislators hereby calls upon the Federal Government to restore funding and work with New York State to address legitimate fraud concerns, and

BE IT FURTHER RESOLVED that the Board of Legislators urges the relevant federal agencies, with cooperation from New York State, to:

- Immediately restore funding for TANF, CCDF, and SSBG programs to ensure continuity of services;
- Work with New York to address fraud concerns through existing federal oversight mechanisms;
- Target enforcement actions at specific bad actors rather than implementing blanket funding cuts that harm innocent eligible families;
- Recognize that New York State has robust eligibility verification systems in place and should not be penalized for isolated instances of fraud, and

BE IT FURTHER RESOLVED that the Board of Legislators affirms that restoring and stabilizing this funding is essential to protecting children and families, older adults, people with disabilities, working households, and the rural providers and agencies that serve them, and

BE IT FURTHER RESOLVED that certified copies of this resolution be forwarded to United States Senator Charles ‘Chuck’ Schumer, United States Senator Kirsten Gillibrand, United States Congresswoman Elise Stefanik, Governor Kathy Hochul, Assemblyman Scott Gray, Senator Mark Walczyk, Assemblyman Robert Smullen, Assemblyman Ken Blankenbush, and Senator Dan Stec with appropriate transmittal letters and form.
